Prebiotic blend	50 mg
(Fructooligosaccharides (FOS), Larch Arabinogalactan (FiberAid®)**)	

*Daily Value (DV) not established

Other Ingredients: Vegetarian capsule (modified cellulose, water), cellulose, magnesium stearate, silica and calcium silicate.

‡Colony Forming Units

**FiberAid® and logo are Lonza Trademarks.

Our probiotic strains are stabilized using a patented poly matrix system (patent # 6,653,062) that provides 50 billion CFU‡ through expiration date when stored at room temperature.

Each **Bio-Enhanced, Acid Resistant Strain (BEARS)** has been specifically designed to survive stomach acid secretions during digestion eliminating the need for enteric coating.

This formula features the most dominant species of microorganisms (*Lactobacillus*) that nourish and support the vaginal and urinary organs.†
