Our Standardized Griffonia Extract is made under strict European quality standards which are comparable to Over-The-Counter drug standards in the US. It provides optimal levels of naturally occurring L-5-hydroxyTryptophan. Our L-5-HTP is formulated with important nutrients to optimize its effectiveness. Vitamin C and B-6 aid the conversion of tryptophan to serotonin in the body.

CAUTION: Not for use by children under 18 years. If pregnant or nursing, consult a physician before using this product. Do not use while operating a motorized vehicle or heavy machinery. Consult a physician before taking this product while using antidepressants or MAO-inhibiting medications.
