Servings Per Container 60

	Amount Per Serving	% Daily Value
<i>Boswellia serrata</i> Gum Resin Extract	400 mg	*
(standardized to 70% [280 mg] total boswellic acids)**		
*Daily Value not established		

Other ingredients: Vegetarian capsule (modified cellulose, water), cellulose, magnesium stearate, silica.

The Boswellia tree not only grows in India, but also in Northern Africa and the Middle East, where it is tapped for its resin or gum. The resin contains high amounts of boswellic acids, compounds shown through scientific studies to help support joint and intestinal health. †

Boswellia is sought out all over the world today for its support of healthy joints and the GI tract, but it has been an important part of Ayurvedic medicine in India for centuries. †

** From Boswellin® brand boswellia extract, the market-leading, standardized extract. It is meticulously extracted to produce the finest quality boswellia extract available.

Boswellin® is a registered trademark of Sabinsa Corporation.
