CoEnzyme Q10 Softgel 200 mg

Dietary Supplement
30 Softgels

SUPPLEMENT FACTS

Serving Size: 1 Softgel Capsule

	Amount Per Serving	% Daily Value
Coenzyme Q 10 (as ubiquinone)	200 mg	*

*Daily Value not established

Other Ingredients: Softgel (gelatin, glycerin, water and annatto), rice bran oil, lecithin, Vitamin E and beeswax. Contains soy. Manufactured on equipment that processes peanuts. May contain traces of peanuts.

Co Q 10 is a biologically active quinone found in every cell of the body. It is a cofactor in the electron transport chain, the biological pathway in cellular respiration from which ATP** and most of the body's energy are derived.†

**Adenosine Triphosphate (ATP) is an energy-rich compound used for all energy-requiring processes within the cell.

Scientific studies show that Co Q 10 is three times more bioavailable when delivered in an oil-based softgel capsule. Our Co Q10 is dissolved 8 vitamin E oil prior to encapsulation to increase the product's intestinal absorption.
