# CoEnzyme Q10 Softgel 200 mg

*Dietary Supplement*  
60 Softgels

## **SUPPLEMENT FACTS**

Serving Size: 1 Softgel Capsule

	Amount Per Serving	% Daily Value
Coenzyme Q 10 (as ubiquinone)	200 mg	*

\*Daily Value not established

**Other Ingredients:** Softgel (gelatin, glycerin, water and annatto), rice bran oil, lecithin, Vitamin E and beeswax. Contains soy. Manufactured on equipment that processes peanuts. May contain traces of peanuts.

Co Q 10 is a biologically active quinone found in every cell of the body. It is a cofactor in the electron transport chain, the biological pathway in cellular respiration from which ATP\*\* and most of the body's energy are derived.†

\*\*Adenosine Triphosphate (ATP) is an energy-rich compound used for all energy-requiring processes within the cell.

Scientific studies show that Co Q 10 is three times more bioavailable when delivered in an oil-based softgel capsule. Our Co Q10 is dissolved in vitamin E oil prior to encapsulation to increase the product's intestinal absorption.
