Organic Lion's Mane Mushroom (<i>Hericum erinaceus</i>) powder [Standardized to 55% polysaccharides (550mg)]	1 g	**

**Daily Value not established

Other Ingredients: Vegetarian capsule (modified cellulose, water).

Lion's Mane is an ancient medicinal mushroom which helps support normal memory, focus, attention and mood. Studies show that Lion's Mane helps to increase the amount of Nerve Growth Factor (NGF), a compound with the ability to protect developing neurons. This could help explain how Lion's Mane helps to improve the general health and function of the brain.†
