

Our Liver Support and Detox features a targeted group of nutrients and botanicals that increase important liver detoxification enzymes. These enzymes are your body's primary way of neutralizing many toxic compounds, protect damage to all cells and improve your body's vitality and longevity. This formula also provides strong support for the healthy function of the liver.†

Suggested Use: As a dietary supplement, adults take two (2) vegan capsules daily, or as directed by a health care professional.

Store in a cool, dry place and away from direct light.
