*Daily Value (DV) not established

Other Ingredients: Vegetarian capsule (modified cellulose, water), cellulose, magnesium stearate, silica and calcium silicate.

‡Colony Forming Units

**FiberAid® and logo are Lonza Trademarks.

Our probiotic strains are stabilized using a patented poly matrix system (patent # 6,653,062) that provides 50 billion CFU‡ through expiration date when stored at room temperature.

Each capsule is enteric coated. Shelf Stable (SSCARS) has been specifically designed to survive stomach acid secretions during digestion eliminating the need for enteric coating.

This formula features the most dominant species of microorganisms (*Lactobacillus*) that nourish and support the vaginal and urinary tract.
