From ****PUREWAY-C[®]**, a new, unique form of vitamin C (ascorbic acid with lipid metabolites) which enhances the absorption, bioavailability and retention of Vitamin C in blood plasma, cells and tissues. Studies demonstrate that **PUREWAY-C[®]** is more rapidly absorbed and leads to higher Vitamin C levels than other forms of Vitamin C, including: ascorbic acid and popular brands of calcium ascorbate.

The appropriate amount of calcium is also added to buffer the formula and make the product non-acidic. Citrus Bioflavonoid Complex enhances Vitamin C's benefits.
