

**Suggested Use:** As a dietary supplement, adults take one (1) capsule, twice daily with meals or as directed by a health care professional.

Store in a cool dry place away from direct light.

7-Keto® is a metabolite of dehydroepiandrosterone (DHEA) that has been clinically researched in humans and shown to be three times more effective in reducing weight than diet and exercise alone. This patented ingredient is synergized with standardized green tea extract and niacin-bound chromium for enhanced efficacy.†
