

Guaranteed to comply with strict European standards for heavy metals, PCBs, dioxins, pesticides and other unwanted compounds.

Our fish oil is **molecularly distilled** to remove PCBs, dioxins and heavy metals such as lead and mercury. The process also reduces oxidation of the oil and helps keep it fresh and stable.

**Contains No** sugar, salt, dairy, yeast, wheat, gluten, corn, preservatives, artificial colors or flavors.

**Suggested Use:** As a dietary supplement, adults take one (1) softgel daily with a meal, or as directed by a health care professional. Store in a cool, dry place and away from direct light.

\* Percent Daily Values are based on a 2,000 calorie diet.

\*\* Daily Value not established

**Other Ingredients:** Softgel (gelatin, glycerin and water), Vitamin E, modified cellulose and triethyl citrate.

Enteric-Coating eliminates the odor and any fishy aftertaste typically associated with taking a fish oil softgel. Enteric-Coating protects the softgel from being digested in the stomach and allows the fish oil to reach the lower gastrointestinal tract.
