

Collagen is the most abundant protein in the body, and is the main component of connective tissue, skin, hair, and nails. Our Collagen Peptides Powder is rich in the amino acids glycine, proline, hydroxyproline, and alanine which help support collagen synthesis in the body. Taken as a supplement, this product could help strengthen and preserve our joints and skin.†

Contains No dairy, wheat, gluten, eggs, peanuts, soy, preservatives, artificial colors or flavors.

Suggested Use: As a dietary supplement, adults mix two (2) scoops with 8-10 fl oz of your favorite beverage in a shaker cup or blender.

Store in a cool, dry place and away from direct light.
